Slovenia-based NGEN put Austria's largest battery energy storage system into operation. It installed it in record time - just seven months.

Vienna's third and final subsidy call offers EUR8 million (\$9.2 million) in incentives and a 10% "Made in Europe" bonus for new or expanded solar-plus-storage systems.

A battery energy storage system (BESS) with a capacity of 10MW/20MWh, consisting of Tesla Megapacks, goes live in Austria. The project became the largest of its kind in the country. ...

Slovenian company NGEN has switched on what it claims to be Austria's largest battery storage facility. The project is located next a wood gas generator which opened in November 2024 in ...

I am trying to extract the url for facebook video file page from the facebook video link but I am not able to proceed how. For example: The facebook video url I have is: ...

In many cases, the storage facility will not be a stand-alone project but linked to a generation project or an industrial plant requiring a steady flow of energy like a micro-grid. The storage will then be located ...

from my Android app, I would like to open a link to a Facebook profile in the official Facebook app (if the app is installed, of course). For iPhone, there exists the fb:// URL scheme, but ...

Facebook will not allow developers pre-fill messages. Developers may customize the story by providing OG meta tags, but it's up to the user to fill the message. This is only possible if you ...
