-----  
Is Hainan a 'critical period' for China-style modernisation?

The document, adopted at the 8th Plenary Session of the 8th CPC Hainan Provincial Committee on 30 November, defines the coming five years as a "critical period" both for Chinese-style modernisation in Hainan and for building a high-standard free trade port.

Is Hainan China's most ambitious experiment in free trade & economic openness?

As global trade faces rising tariffs and growing protectionism, China is moving in the opposite direction by opening one of its doors wider. That door is Hainan, a tropical island now being positioned as China's most ambitious experiment in free trade and economic openness.

What happens in a tightly fenced industrial park in Hainan?

What happens elsewhere in tightly fenced industrial parks can in Hainan happen almost anywhere on the island. For international companies, this provides unprecedented access and flexibility compared to other regions in China. The rules sound technical, but the logic is straightforward.

What is Hainan's 'million talents revitalise' initiative?

Hainan plans a new "Million Talents Revitalize Hainan" initiative, more flexible evaluation systems and incentives, and a more open regime for international talent, while upgrading its network of labs and innovation platforms in seeds, deep sea and aerospace.

The document, adopted at the 8th Plenary Session of the 8th CPC Hainan Provincial Committee on 30 November, defines the coming five years as a "critical period" both for Chinese ...
