Which brand of Bryant circuit breakers is best?

Siemens is a top choice among many contractors when it comes to circuit breakers, including those looking to replace old Bryant breakers. If you find it too costly or difficult to find replacement Bryant circuit breakers, it can be a better option to replace your old Bryant circuit breakers with new ones from Siemens or other compatible brands.

How much does a new Bryant breaker panel cost?

A new circuit breaker panel from Bryant costs between \$13 and \$53. It's a popular enough brand that you can purchase refurbished breaker panels from many stores if your budget is a concern, but used products aren't typically covered under product-protection plans.

What types of circuit breakers does Bay Power sell?

Bay Power carries a wide range of new, used & reconditioned, obsolete or legacy circuit breakers. To keep you covered, they also offer a variety of options to meet your needs. Please fill in the following information or contact them at (800) 699-2980 to request a free quote.
