Where can I find a proposal/bid due date for a DGS solicitation?

Beginning in March 2016, all solicitations with a proposal/bid due date that have passed will be posted on the DGS Solicitation Archive page. Contract award data for all solicitations is available on the Contract Award page. Starting July 1, 2024, all new solicitations will be available on OpenGov.

What's new at DGS contract & procurement division?

DGS Contract and Procurement Division has partnered with OpenGov and is excited to announce our transition from a paper-based bid solicitation process to a fully automated, web-based electronic bidding and vendor management system. Our new e-procurement portal offers the following features:

What are Aze energy storage cabinets?

Discover AZE's advanced All-in-One Energy Storage Cabinet and BESS Cabinets - modular, scalable, and safe energy storage solutions. Featuring lithium-ion batteries, integrated thermal management, and smart BMS technology, these cabinets are perfect for grid-tied, off-grid, and microgrid applications.

Are energy storage contracts a viable option in Texas?

These contracts are particularly prevalent in Texas, which is an energy-only market (i.e., there is not a separate market for the sale of capacity). As a result, many energy storage resources will enter into hedges that will provide them with some fixed revenue streams to facilitate a project financing.

These cabinets manage power conversion, safety protocols, and thermal regulation - all while impacting overall project costs. Let's explore how DC cabinets function, their pricing factors, and why they're ...
