In the field of sodium battery energy storage, the production task of 49.723 MWh of prismatic battery cells has been completed, and the 10,000-ton sodium-ion battery anode and cathode material project ...

Currently, its application scope has been extensively expanded in both power and energy storage sectors. The 100kWh sodium-ion industrial and commercial energy storage cabinet ...

With its fully certified qualifications, high-quality and safe cells, and integrated intelligent design, it has become a highly anticipated new product in the international residential and industrial ...

The successful commissioning of the Jurong Huayang 100MW/200MWh Shared Energy Storage Power Station marks Hexon Energy's full-chain service capabilities in the 100MW-class grid ...

As a leading domestic anthracite coal company, Huayang Co., Ltd. has shown strong interest in new energy in recent years.

We are manufacturer of Solar Cells in China, if you want to buy Solar Panels, Solar Modules, Photovoltaic Module, please contact us. We sincerely hope to establish business relationships and ...

Recently, the core product of China energy storage enterprise Huayang Group--the 5kWh energy storage system--has been accelerating its promotion in multiple global markets.

Huayang shares plans to expand the application of sodium ion batteries in multiple fields

As the group accelerates the pace of developing new productivity, sodium energy storage technology has ushered in a new breakthrough.

The cabinet integrates a perfluorohexane fire extinguishing device and is equipped with a high-efficiency two-stage PCS (energy storage converter) to build a 400V output string type energy ...
