Engineered with reinforced steel enclosure and IP55/IP65 protection class for dust, water, and corrosion resistance in severe climates. Combines high-voltage lithium battery packs, BMS, fire protection, ...

Huijue Group's Mobile Solar Container offers a compact, transportable solar power system with integrated panels, battery storage, and smart management, providing reliable clean energy for off ...

Cabinet protection level IP55, salt spray resistance of up to 500 hours, FRP material ensures strong anti-corrosion performance in harsh outdoor environments.

Our energy storage cabinet systems provide efficient solutions for commercial and industrial (C& I) applications, including battery storage, outdoor cabinets and solar systems, ensuring reliable ...

These cabinets are designed with sealed structures, corrosion-resistant materials, and advanced thermal management systems that effectively regulate temperature and humidity within the enclosure.

Huijue's waterproof cabinets are made of either high-strength galvanized or stainless steel, with the latter being the preferred material in electrostatic spraying and corrosion-resistant ...

Experience the HJ-SG-D02 series from Huijue Group, a versatile outdoor communication energy cabinet designed for stable power supply in communication base stations, smart transportation, and more. ...

Equipped with a rack-mounted lithium iron phosphate battery and an advanced intelligent BMS management system, providing integrated, compact, and lightweight real-time monitoring and ...

Outdoor smart energy cabinet HJ-SG-R type: container machine room, large capacity, modular design, this series of products. It can integrate photovoltaic, wind clean energy, energy storage battery, ...

HuiJue Intelligent Photovoltaic Outdoor Cabinet

Constructed from galvanized or stainless steel and rated up to IP65, it ensures complete resistance to dust, rain, and corrosion while maintaining optimal operating conditions for all internal components.
