LONGi Solar is a leading manufacturer of solar panels and photovoltaic solutions, founded in China in 2000. Its specialties include the production of PERC (Passivated Emitter and Rear Cell) ...

Longi solar panels are a top choice for those seeking reliable and high-performance solar energy solutions. With their commitment to quality, innovative technology, and excellent customer ...

Chinese solar manufacturer Longi unveiled a new PV module with 25.9% efficiency at the 2025 SNEC trade show this week in Shanghai, produced using both low- and high-temperature ...

Embrace the power of solar energy with LONGi, the global leader in monocrystalline solar panels. Discover their range of high-performing products.

LONGi is more than a product supplier, offering project consultation, design, installation, procurement, commissioning, operation and maintenance, and financing expertise.

Product Details: Longi solar panels are tier 1 products manufactured by LONGi Solar, specializing in high-performance mono-facial and bifacial solar panels for residential and commercial energy solutions.

LONGi had scaled up high-volume manufacturing of bifacial modules and has become the largest producer of bifacial PV products, with cumulative shipments of bifacial modules surpassing 20GW in ...

With excellent technical research and development team and advanced production equipment, it has established a good reputation in the solar photovoltaic industry, and its products are exported to ...

Longi, the China headquartered solar PV solutions giant, has launched its latest Hi-MO X10 solar module series at an event held in Shanghai. The new modules use Longi's 2nd generation ...

Longi new photovoltaic panel manufacturer

LONGi Solar is the world's leading manufacturer of high-efficiency monocrystalline silicon wafers and PV modules. With advanced HPBC and PERC technology, LONGi delivers reliable, high-performance ...
