Find your pole-mounted circuit breaker easily amongst the 10 products from the leading brands (SIEMENS, Daybright Electric, Powint, ...) on DirectIndustry, the industry specialist for your ...

Working in the Moldovan market since 1999, the company is one of the main suppliers of cables, wires and electrical products in the domestic market of Moldova and has proved to be a reliable partner.

This 1-pole miniature circuit breaker offers reliable overload and short-circuit protection with a 63A rated current and 6000A breaking capacity. Designed for easy DIN rail mounting, it supports 230V AC and ...

Quality Moldova power strips, in stock, for standard duty applications up to industrial applications. Versions designed for PDU power distribution purposes in data centers and server room applications.

Putai offers a range of high-performance outdoor pole mounted circuit breakers designed for various voltage levels and environmental conditions. Our solutions focus on durability, ease of operation, and ...

Mounted on utility poles, these circuit breakers are constantly exposed to rain, snow, dust, UV radiation, salt spray (in coastal areas), and wide temperature fluctuations.

The DC Circuit Breaker 32A 1 Pole is a high-quality voltage protection solution designed for battery and solar PV systems. It features a wide operational temperature range, easy installation on DIN rails, ...

The Microtail Earth Leakage Circuit Breaker (ELCB) is a robust safety device designed for single-phase applications. With a current rating of 32A and a leakage protection range of 3-30mA, it ensures ...

Versatile Application: The Pjerjzn Miniature Circuit Breaker is suitable for various everyday applications, ensuring electrical safety in homes, cargo trailer, camper solar build, battery, solar system, electrical ...

ABB's medium voltage outdoor gas-insulated switch disconnecter product line is called Sectos. Sectos is an

Pole mounted circuit breaker in Moldova

SF6 gas-insulated, pole mounted 3-way switch disconnecter for demanding outdoor environments ...
