Which lockers are left open?

As many of you found, the perfect square lockers (#s 1, 4, 9, 16, 25, 36, 49, 64, 81, and 100) are the only lockers left open. Cool, huh? We hope you realized that lockers are only touched by students who are factors of that locker number, i.e. locker #5 is only touched by students 1 and 5. Student 1 opens it and student 5 closes it.

What is the cool lockers locker system?

The cool lockers locker system is a versatile, electronically controllable pick-up station designed according to the latest technology: Intelligent temperature control creates different temperature zones in the compartments - whether chilled, frozen or tempered.
